

Pacers Lame

What better way for Hoosiers to get together than by going to a basketball game? On January 13th ALDPES members went together to see the Indiana Pacers vs the Atlanta Hawks using ALD funds. The final score was 113-111 so we saw no win. That didn't stop some of our members from being extraordinarily loud though. Montana even won a shirt for

being the loudest in our section!

Campus Center Tabling

We tabled several times in the Campus Center to get the word out about ALDPES around the time that we sent out invitiations! Invitations went out to 901 superstar students who were eligible to join this year!

Pan's Pantry

Members spent a few weeks volunteering at our campus food pantry in the Campus Center organizing and stocking shelves. The pantry provides free food and toiletries for students and staff who are in need.

Thanks to all of our hardworking officers, we managed to get our invitation mailing out to potential new members in ONE day - all 901 of them! The packet includes a letter, FAQ handout, brochures, stickers, and bookmarks.

We had our first of two Pizzapalooza info sessions on February 28th. We played some ALDPES bingo with prizes, gave a presentation about everything we do, and ate lots of pizza, of course!

Pizzapalooza

We had another successful info session on March 1!

On February 28th, our social committee hosted an ice cream social filled with flavorful options! Our members loved getting to know each other and having a great time with their favorite frozen flavor!

Bracelet Making

We had a great turnout for our bracelet-making event on March 23rd at the Campus Center. Thanks to our social committee who provided all of the supplies!

Spring ALD Leadership Summit

We had 24 members, mostly new officers, attend the spring leadership summit. Here are some of their thoughts about it:

Leslie Martinez: Attending the summit help me enhanced my knowledge of how to have a successful chapter here at IUPUI.I also learned a lot from the keynote speaker Scott Clewis. He taught us how to be resilient and fight cognitive distortions.

Roxy Bewley: One thing I learned in the ALD Leadership Summit had to do with cognitive distortions and skills to help maximize my potential and success from Scott Clewis. Three of these skills included self-awareness, defeating cognitive distortions, and the optimistic explanatory style (with three dimensions - the "cause" of the event is permanent vs temporary, pervasive vs specific, and internal vs external).

Carlet Pierre Louis: The main speaker reinvigorated my interest to one day pursue my JD. My dad was a lawyer and I always thought it would be an interesting career path, but I chose engineering instead. I realized that the way I am now, I can achieve a whole lot by being persistent with my life goals.

Reva Pettigrew: It was awesome to learn about how perseverance and optimism will help me throughout my academic and personal life.

ALDPES

We spoke to a lot of potential new members at the Spring Involvement Expo on February 4 in the Campus Center!

Riverwalk Cleanup

Some of our new members joined us for our annual Riverwalk spring cleanup, picking up trash around the campus apartments and the White River.

We made our annual donation to St. Jude in memory of former IUPUI student and ALDPES member, Sam Featherstone. We have donated to St.Jude every year since 2013. Sam passed away from brain cancer on January 2, 2013.
Thanks to all who contributed through purchasing items at our bake sale, getting henna tattoos, and making cards for the St. Jude kids. Our Samstrong Dance will be back next year!

Thank you, friend! On behalf of the children of St. Jude Children's Research Hospital, I send you my utmost gratitude for your gift of \$200 in March 2023. <u>Generous gifts like yours do so</u> much to help support our research and treatment for all the children who turn to us each year -- children like Alfredo, Twila and Yates.

Though St. Jude is a happy place filled with hope, one terrible thing connects all these precious girls and boys -- they are being treated for cancer or another life-threatening disease. These children were all referred to St. Jude. And once here, our doctors placed each one of them on a special treatment plan to give them hope for a second chance.

Because of generosity like yours, families never receive a bill from St. Jude for treatment, travel, housing or food -- so they can focus on helping their child live. St. Jude families are so grateful for friends like you who help make it all possible.

Your donation is truly a gift of hope for thousands of children around the Alfredo, Twila and Yates. On behalf of the children and families of St. Jude, your support. God bless your good heart.

For the children.

Our ALDPES initiation was back in person on March 31 with about 600 students and guests joining us for the special night. Our speaker, Professor Mike Polites, did a great job talking about "Your College Road Trip" and also became an honorary member. Our student speaker, Bri Reagan, shared with us her experience and the impact of being an Senior Book Award, too! Each new initiate introduced themselves on stage during the certificate for their hard work and

April 11: We finished day 1 of officer interviews - 19 interviews back-to-back followed by 13 more on day 2 as well as a few on Zoom. We were thrilled to have so many wonderful applicants this year!

before the chapter's baseball game social outing to get to know each other and talk about the upcoming officer retreat at the beginning of fall semester. Princess Ayesha and Princess Ishita arrived after an Indy 500 excited to have 30 new officers and 9 student advisors for the coming year! We're back in full force!

Old and new members came together on a chilly evening to have fun at Victory Field to watch our minor league team play right after the first new officer meeting on April 28!

Hello, ALDPES Members!

Just a final reminder to RSVP by tomorrow for the Pacers game against the Atlanta Hawks on Friday, January 13, at 7 pm.

Here's the link to RSVP: https://go.iu.edu/4E8K

This is a family night that includes a game ticket, gift (probably a hat), and a sandwich, chips, and a drink all for \$25. ALDPES will pay for the tickets, so this is limited to the first 50 who sign up.

We will carpool from the Campus Center at 6 pm. I'll purchase the parking passes ahead of time for a parking garage near Gainbridge Fieldhouse.

I know January 13 is over a month away, but **please only RSVP if you're sure you can go**. If you do RSVP and discover that you can no longer go, just let me know ASAP so someone else can use your ticket. This event is for ALDPES members only since we are using ALDPES funds to purchase the tickets. If you have family members or non-ALDPES friends who want to go, they can either purchase their own tickets, or you can bring \$25 to the Honors College by Tuesday to cover the cost of their ticket.

Once all 50 slots are gone, the form will shut down, and I'll send an email to put together a waitlist in case there are cancellations.

We'll also talk about what we have planned for the next month for service and social activities. There will be pizza and drinks after the meeting.

If you're coming, please RSVP by Monday at https://go.iu.edu/4MHB.

We have an Ice Cream Social coming up Monday night. Please stop by the Campus Center, Room 405, for some and some ice cream any time between 7 and 9 pm. It's supposed to be reasonably warm (for February), so it's a great time for ice cream!

Member Meetings

Our monthly member meetings always consist of an icebreaker to help members get to know each other, reports by committee chairs to keep everyone informed about upcoming activities, and a guest speaker who talks about a topic that will be of interest to everyone. This year's topics included how to get involved on campus, how to create a top-notch resume, how to prepare a winning Top 100 application, mental health and resiliency, an interactive self-defense presentation, and healthy eating and nutrition. And, of course, there's always pizza and drinks after the meetings!
