

Montclair State University

Overview and Logistics

In Fall 2020, the ALD Chapter E-board at Montclair State University implemented a rewards system as an incentive for ALD members to get more involved. The point system is tracked via a google form included

here: <https://forms.gle/Psx4XsJkczKtoKdx9>. Through this form, the members submit proof of attendance or participation in the event or activity. Members keep track of their own points and once they believe they have acquired enough points to fulfill a level requirement, they email our Chapter President.

The Chapter President verifies their submissions and has their prize ready for pick up on campus. The engagement rewards program is continued on a rolling basis and prizes will be restocked based on the budget. Please see the point breakdown below.

Levels of Engagement:

Level 1: 15 points - ALD Face Mask

Level 2: 20 points - ALD Marble Ironstone Mug

Level 3: 25 points - ALD Long Sleeve Shirt

Level 4: 30 points - ALD Honor Cord

Level 5: 35 points - ALD Medallion

Level 6: 40 points - ALD Stole
